

## SpaMedica Gloucester is now open and accepting referrals

We're delighted to announce that our new state-of-the-art hospital in Gloucester is now open and accepting referrals, providing NHS Ophthalmology Services including Cataract Surgery and YAG Laser Capsulotomy.

Waiting times for patient appointments and surgeries shall be 2 – 4 weeks weeks.

Please be assured we have taken many steps within all our patient pathways, to ensure the utmost safety for both patients and staff in these current circumstances - [click here](#) for full details of our additional safety measures.

### SpaMedica Post-op Scheme

We work in partnership with community optometrists, with over 21,000 cataract post-op appointments managed by our community optometrists in 2019.

The main benefits of our accreditation scheme and patient services:

- Short waiting times for your NHS patients
- Our team of experts supporting you with ophthalmic and referral queries
- One CET point for attending SpaMedica's cataract post-op training event
- 24hr patient helpline for referral and treatment queries
- Patients are returned back to community optometrists quickly after surgery
- Regular communication about patients sent to you, throughout their treatment journey
