

## Newmedica Bristol Aztec West opening soon!

We are delighted to announce our new eye health clinic and surgical centre will be opening very shortly at Aztec West, Bristol. We are looking forward to welcoming our ophthalmic patients very soon.

Our new state-of-the-art purpose built facility will enable us to offer patients faster treatment for their eye conditions with shorter waiting times thanks to more clinics and greater theatre capacity. It has been built with patient care at the forefront giving a far more comfortable patient experience.

The new eye health clinic and surgical centre will be delivering the following ophthalmology services for both NHS-funded and private patients in the Bristol, Somerset, Dorset and Wiltshire areas, as well as private patients in South Wales.

- Pre- and post-op outpatient appointments
- Cataract surgery
- General ophthalmology
- Eyelid and tear duct surgery
- Glaucoma
- Medical retina
- YAG laser treatment (capsulotomy, PI and SLT)
- Trabeculectomy surgery (private only)
- Vitreoretinal surgery (private only)
